Physical Properties:

The following are current, subject to change at any time without notice. Physical property data is as produced; subsequent storage conditions and the age of the product, which are beyond M-Squared’s control, may affect the properties of the product as received.

Workmanship Requirements:

Cloths & wipers are made in accordance with reasonable industry practice with respect to holes, tears, wrinkles, cleanliness, odors and foreign materials or dirt. Edges are cleanly cut and perforations minimized.
